

Voluntary Guidelines for Securing Sustainable Small-Scale Fisheries

in the context of Food Security and Poverty Eradication

Value chains, post-harvest and trade

Involve post-harvest actors in the decision-making process. Stress the role of women. Infrastructure and technology investments, value-added activities, and post-harvest loss and waste reduction.

GOVERNANCE OF TENURE

Secure equitable tenure rights to fishery resources and coastal land. Sustainable resource management including co-management.

Social development, employment and decent work

Address issues such as education, health services, financial services, social protection, public infrastructure, and other public services.

Health and safety; measures to improve safety at sea.

Gender equality

Improve gender equality in the entire value chain. Equal participation of women in decision-making, mainstreaming gender issues.

DISASTER RISK AND CLIMATE CHANGE

Develop policies, strategies for climate change adaptation and mitigation, and emergency response and disaster preparedness.
